### **PRESS RELEASE**

## ***HOMES Program Hosting City-Wide Open House***

**SCHENECTADY** – Mayor Gary R. McCarthy announced that the City of Schenectady Homeownership Made Easy in Schenectady (HOMES) Program will be hosting a City-Wide Open House this Sunday afternoon, March 25, 2018. Featured properties will be in the Real Estate Section of Sunday’s Daily Gazette and can also be found on the Schenectady HOMES website.

“Our HOMES Program has successfully assisted in the sale of hundreds of homes by bringing together an array of real estate professionals to help buyers through the home purchasing process,” Mayor McCarthy said. “Our monthly city-wide open houses allow potential purchasers to see a wide variety of housing options available within the city on a single day while also allowing visitors to get a feel for our wonderful city and take part in the great events occurring every weekend.”

A partnership between the City of Schenectady, area banks, realtors, and other housing-related entities, HOMES Program lending partners have mortgage packages and grants tailored for city home purchases, and realtor partners provide expertise in finding homes for prospective buyers. Current residents and newcomers alike can find relevant information regarding housing opportunities, financial assistance, and program offers at [www.CallSchenectadyHome.com](http://www.CallSchenectadyHome.com).
