Mayor McCarthy Statement on Governor Cuomo Proposal to Reimagine the Erie Canal

SCHENECTADY – Mayor Gary McCarthy released the following statement regarding the Governor Andrew M. Cuomo’s \$300 million plan to reimagine the Erie Canal:

“Chronic flooding along the Mohawk River is a critical issue for Schenectady, and once again I strongly thank Governor Cuomo for his continued strong support on this issue for communities along the Erie Canal. We look forward to working with Governor Cuomo’s administration to advance flood mitigation initiatives, repurpose the canal, and continue our waterfront development efforts.”
