CITY OF SCHENECTADY HOSTS A VIRTUAL COMMUNITY MEETING TO UPDATE THE COMMUNITY ABOUT THE STOCKADE FLOOD MITIGATION PROJECT.

Schenectady, New York – March 25, 2021 – The City of Schenectady has been awarded funding by the Federal Emergency Management Association (FEMA) Hazard Mitigation Grant Program (HMGP) through the New York Department of Homeland Security and Emergency Services (DHSES) to design and implement a project to mitigate flood risk in the Stockade neighborhood and assist property owners to preserve their homes.

The Building a Resilient Stockade meeting is open to all interested community members. It will:

- Discuss the status of the flood mitigation project to relocate structures out of the floodplain
- Discuss any questions the public may have about the project.
