- Release of Easement – Center City. Mr. Van Norden discussed that SURA holds an easement and right-of-way for ingress and egress over an alleyway no longer in use. The easement dates back to September 30, 1977, and the redevelopment of the Wallace Building and adjacent properties into Center City as a public/private building. Since the building will now be sold to entirely to a private entity, there is no need for the easement. A motion to release the easement was made by Ms. King, seconded by Mr. Della Sala, and passed unanimously. (Note – closing and release occurred on Feb. 21, 2008)
- A motion to adjourn was made by Mr. Allen, seconded by Ms. Brucker, and passed unanimously. The meeting adjourned at 5:58 p.m.
