Dear Business Owner and/or Manager,

We are contacting you because the City has adopted a new ordinance which is likely to impact your business.

The City of Schenectady is committed to environmental leadership and the conservation of natural resources. The City realizes that discarded plastic straws threaten our drinking water, wildlife and degrade ecosystems. Therefore, on **July 15, 2019** the City of Schenectady passed **Ordinance** which prohibits the sale and distribution of plastic straws within the City limits. The City joins several cities throughout the United States who have enacted similar bans. This Prohibition takes effect January 1, 2020. It is enforceable through written warning and/or fines.

Given that your business is likely to sell or distribute plastic straws, the City suggests you take the Prohibition into consideration when making future purchases of plastic straws. Between now and January 1, 2020 we suggest you use your remaining plastic straw and stirrer inventory while exploring which alternatives best suit your business.

There are alternative to plastic straws available. Here is some information on what products are available on the market:

We encourage straw-serving businesses to utilize the #SchenectadySkiptheStraw hashtag on social media and contact the City once they have made the switch.

Thank you for making Schenectady a greener place to be,

January 1, 2020

The City joins several cities throughout the United States who have enacted similar bans. **This Prohibition is now in effect.**

In October, we urged you to use up your existing inventory of plastic straws and begin exploring sustainable alternatives. We included the following information:

<b>Straw Alternative</b>	<b>Vendors</b>
Paper straws	Aardvark; AmeriStraw; Cheney Brothers; Sysco; US Foods; Dade Paper; Island Supply; Hospitality Purchasing
Stainless Steel reusable straws	Steelys Drinkware; Crestline

CITY OF SCHENECTADY  
105 JAY ST ROOM 205  
SCHENECTADY NY 12305

Dear Mr. Wallin:

I am pleased to inform you that \$65.0 million for the Extreme Winter Recovery (EWR) Program was included in the final SFY 2019-20 Budget. This new funding will supplement the re-appropriations of rollover funds remaining from previous State fiscal year EWR appropriations. Please provide a copy of this letter to the chief financial officer (CFO) for your municipality.

The second of four quarterly SFY 2019-20 EWR reimbursements are scheduled to be made on September 16, 2019. Please refer to the revised June 2019 Program Guidelines on the CHIPS website ([www.dot.ny.gov/programs/chips](http://www.dot.ny.gov/programs/chips)) regarding eligible project activities and program requirements. Requests from the SFY 19-20 EWR apportionments for the September payment must be for expenditures made on or after April 1, 2019 and through August 2, 2019.

The City of Schenectady has the following funding amounts available for the September payment:

Program	Total Balance	19-20 Apportionment	Cumulative Rollover Balance
EWR	\$174,060.24	\$174,060.24	\$0.00

The submissions for the EWR reimbursements will require supporting documentation, including proof of payment and photos of ADA-compliant curb ramps. Failure to submit the required documentation may delay the processing of your reimbursement requests.

The rules for applying under the September EWR reimbursements are available as a link under Forms on the CHIPS website. In order to ensure September timely reimbursement, the NYSDOT Regional Office listed below must receive the original signed payment requests no later than **August 12, 2019**.

Please be sure to sign the certification on each page of the reimbursement request forms, photocopy the completed forms for your files, and **mail the original request forms and all supporting documentation to:**

**A Resolution Recognizing the efforts of "Schenectady Ole Timers  
Baseball Club" for Reinvigorating Youth Baseball in Schenectady.**

WHEREAS, The Schenectady Ole Timers Baseball Club whose membership now exceeds 160 members was founded in 1992 by a group of friends who had grown up primarily in the Schenectady NY area and played or enjoyed baseball at various levels ranging from Little League to the Major Leagues; and

WHEREAS, Now in its 27th year, the SOTBC is exploring opportunities and partnerships in an effort to "Give Back" and will make a major contribution to promote our "National Pastime" to newer generations of boys and girls, while facilitating access to and enjoyment of the game; and

WHEREAS, This summer, and for four summers to follow, the SOTBC will take a leadership role and partner with the City of Schenectady in making a professionally run baseball skills camp a reality for up to fifty of Schenectady's Little League age eligible kids; and

WHEREAS, this hands-on, high activity level camp will be held at Central Park's recently rejuvenated historic "A" diamond, also known as "Buck Ewing Field", over two consecutive days in late summer, this year being Monday, August 12th and Tuesday, August 13th. No fee will be charged to the children who participate, since all costs associated with the camp will be covered by sponsor donations; and

WHEREAS, This year's camp will be managed by Princeton University's Assistant Baseball Coach and SOTBC member Alex Jurczynski of Schenectady, who managed a similar baseball skills camp in 2017 at Schenectady Little League with an overwhelmingly positive response and great success; and

WHEREAS, There will also be "scholarships" provided to each participating youngster who goes on to play in the Schenectady Little League or Schenectady Babe Ruth League to cover part of the cost of registration along with other positive inducements to encourage these youngsters to continue to play and enjoy the game of baseball:

NOW THEREFORE BE IT,

RESOLVED, that the Mayor Gary R. McCarthy and the City Council do hereby pause in their deliberations to recognize the efforts of SOTBC to reinvigorate the game of baseball in Schenectady and wish them all the best in their future endeavors to enhance the game of baseball for generations to come.
