LEGISLATION REQUEST FORM

COMMITTEE ASSIGNMENT: City Development & Planning **DATE:** 8/12/21
TO: COUNCIL MEMBERS
FROM: Kristin Diotte
SUBJECT: Rezoning Request by Stewart's Shops Corp. for a parcel at 1020 McClellan Street
Call for Public Hearing

Background Information:

Stewart's Shops Corp. is currently pursuing the purchase of 1501 Union Street; current site of the Sunoco gas station, 1503 Union Street; current site of the Jones Funeral Home, and 1020 McClellan Street; current site of parking for the Jones Funeral Home and 4-stall garage with an apartment above.

Evaluation/Analysis:

1501 and 1503 Union Street are zoned "C-2" Mixed-Use Commercial.

1020 McClellan Street is zoned "R-1" Single Family Residential.

The residential zoning designation does not allow for the redevelopment of the parcel to be used for commercial purposes, ie a newly constructed Stewart's Shop with gas pumps.

The City Council has referred the rezoning proposal to the Planning Commission for a recommendation at the Planning Commission's next scheduled meeting on August 18, 2021.

Recommendation:

The City Council shall call for a public hearing regarding Stewart's Shops Corp's request to change the zoning of the parcel at 1020 McClellan Street.

LEGISLATION WILL BE PREPARED BY Law Dept.

COMMITTEE ASSIGNMENT:

DATE: August 11, 2021

TO: City Council

FROM: Kristin Diotte, Director of Development

**SUBJECT: Adoption of Resolution Accepting Funding for Tree Inventory and
Community Forest Management Plan**

Background Information:

The City of Schenectady was awarded an Urban Forestry Grant for \$61,200 from the New York State Department of Environmental Conservation (DEC) for a city-wide tree inventory and community forest management plan. This will assist in improving the community's urban forest with comprehensive planning to identify and assess existing trees along with future planting sites. The management plan will also establish best practices and create a tree maintenance schedule.

Evaluation/Analysis:

Accepting these funds will enable the city to conduct valuable research into the location and health of its trees while establishing a management plan in the process.

Recommendation:

Adoption of Resolution Accepting the Urban Forestry Grant funds from the NYS Department of Environmental Conservation in the amount of \$61,200. City Council to authorize the Mayor or his designee to execute any necessary agreements to effectuate this resolution.

LEGISLATION WILL BE PREPARED BY LAW DEPARTMENT
