DEPARTMENT OF ENGINEERING
CHRISTOPHER WALLIN, P.E., CITY ENGINEER

COMMITTEE ASSIGNMENT:  
DATE:  October 21, 2019

TO:  City Council

FROM:  Christopher R. Wallin, P.E., City Engineer

SUBJECT:  Authorize the Issuance of Revocable Permit No. 641 to 432 Franklin Street, LLC for an Awning That Overhangs the City’s Right-of-Way at 432 Franklin Street, Schenectady, New York

TO BE PLACED ON COUNCIL AGENDA OF:  October 28, 2019

Background Information:

432 Franklin Street, LLC has like to installed an awning over the City’s right-of-way at 432 Franklin Street, Schenectady, New York. (Please see attached).

Evaluation/Analysis:

Attached please find the Revocable Permit Application, an email of approval from the Planning Dept., and a picture submitted for the awning over the City’s right-of-way at 432 Franklin Street, Schenectady, New York.

Recommendation:

Authorize the Issuance of Revocable Permit No. 641 to 432 Franklin Street, LLC for an awning that overhangs the City’s right-of-way at 432 Franklin Street, Schenectady, New York.

LEGISLATION WILL BE PREPARED BY:  Engineering

REVOCABLE PERMIT  
NO. 641

The City of Schenectady hereby grants Revocable Permit No. 641 to 432 Franklin Street LLC for an Awning that will overhang the City’s right-of-way at 432 Franklin Street, Schenectady, New York.

a) The Awning will overhang the City’s right of way at 432 Franklin Street, Schenectady, New York

b) 432 Franklin Street LLC shall hold the City, its employees, or agents harmless for any damage to the Awning resulting from their acts in performing of their duties.

c) So long as the Sign remain in the City right-of-way, 432 Franklin Street LLC shall carry, at THEIR expense public liability insurance in an amount not less than $1,000,000/$1,000,000 for personal liability and not less than $1,000,000 for property damage in one accident and $2,000,000 in the aggregate. The liability policy must the name City of Schenectady as additionally insured to be saved harmless for personal liability and property damage and is subject to the approval of the Corporation Counsel of the City of Schenectady.

d) The City Engineer of the City of Schenectady reserves the power to revoke the permission granted and to require the removal of the Awning except in case of a dangerous condition which shall be corrected immediately upon notification.

e) 432 Franklin Street LLC complies with all rules, regulations and building permits relating to the erection and maintenance of the 432 Franklin Street LLC.

f) 432 Franklin Street LLC agrees to defend, indemnify and hold harmless the City of Schenectady, their officers, agents and employees from any and against any and all claims, suits, liens, judgments, damages, losses and expenses including reasonable legal fees and costs arising in whole or in part and in any manner from acts, omissions, breach or default of 432 Franklin Street LLC, or their agent, related to their performance related to this revocable permit.
REVCOCABLE PERMIT

Instruction:

This application shall be completed in full, either typed or printed clearly in ink, and filed with the City of Schenectady Department of Engineering, at the above address.

Description:

This application shall be used when a property owner or their representative installs or places an object in City right-of-way, such as signs, planters, etc. All required information for the object placed in City right-of-way can be found herein and/or within the City of Schenectady's Municipal Code Section §264-63: Zoning Signs, §228-10: Encroaching Structures and Articles. This Permit shall be allowed for as long as the insurance is still in place and require a fee of $100.00 to be paid in Room 100, City Hall 105 Jay Street, Schenectady, NY 12305.

Any work or obstructions within the City Right-of-way shall require submission of current liability insurance naming the City as additionally insured.

Before any excavation always call Dig Safely New - Call 811

LOCATION OF WORK

Please See Attached
Committee Assignment: October 21, 2019

TO: City Council
FROM: Christopher R. Wallin, P.E., City Engineer
SUBJECT: Authorize the City of Schenectady as Lead Agency for the Improvements to Vale Park

To be placed on Council Agenda Of: October 28, 2019

Background Information:

The City of Schenectady plans to use grant funding from the Dormitory Authority of the State of New York for the construction of landscape improvements within historic Vale Park. Improvements include removal of weedy vegetative overgrowth and invasive trees; lawn, tree and screening plantings, resurfacing of existing stone trail, 3 new light poles along the park entrance road, a new guard rail on the land bridge between two ponds, replacement of existing chain link fence with decorative fence and park signage, and park entrance improvements at the trail connection to the adjacent Eastern Avenue neighborhood.

Evaluation/Analysis:

New York’s State Environmental Quality Review Act (SEQR) requires all state and local government agencies to consider environmental impacts equally with social and economic factors during discretionary decision-making. This means these agencies must assess the environmental significance of all actions they have discretion to approve, fund or directly undertake. When considering an action that has been the subject of a Final EIS, SEQR requires the agencies to balance the environmental impacts with social and economic factors when deciding to approve or undertake an "Action". This is the first step in the SEQR Process, for the City Council to designate lead agency.

Recommendation:

Authorize the City as of Schenectady as Lead Agency for the Improvements to Vale Park for the construction of improvements in Vale Park.

Legislation Will be Prepared By: Engineering

RE: Vale Park Improvements Project  
Vale Park  
City of Schenectady, New York

Dear Mr. Goertz:

The City of Schenectady is submitting this Lead Agency Solicitation Letter in accordance with the State Environmental Quality Review Act (SEQRA) review for the above referenced project.

The City of Schenectady is proposing landscape improvements within historic Vale Park. Improvements include removal of weedy vegetative overgrowth and invasive trees; lawn, tree and screening plantings, resurfacing of existing stone trail, new lighting at Park entrance, a new guard rail between the two ponds, replacement of the existing chain link fence with decorative fencing and park signage, and entrance improvements to the adjacent Eastern Avenue neighborhood. Additional information about the proposed action is provided in the attached Environmental Assessment Form (Part I).

In accordance with the SEQRA, the City of Schenectady desires to conduct a coordinated SEQRA review among Involved Agencies and Interested Agencies, with the City of Schenectady serving the role as Lead Agency. On behalf of the City of Schenectady we request that you provide, within thirty (30) days of the date of this letter, concurrence that the City of Schenectady be designated as the SEQRA Lead Agency for this action.

If you have any questions please contact me at CWallin@schenectady.ny.gov or (518) 382-5082.

Sincerely,

Christopher R. Wallin, P.E.  
City Engineer

RE: LEAD AGENCY COORDINATION RESPONSE
Vale Park Improvements
City of Schenectady, Schenectady County

Dear Mr. Wallin:

This letter responds to your correspondence of August 19, 2019, regarding lead agency coordination for the project referenced herein, under Article 8 (State Environmental Quality Review – SEQR) of the Environmental Conservation Law and 6 NYCRR Part 617. The New York State Department of Environmental Conservation ("DEC" or "Department") has the following interest in this project:

Name of Action: Val Park Improvements

DEC Contact Person: Trish Gabriel

DEC Position: Based on the information provided, DEC has no objection to your agency assuming lead agency status for this action. * If the scope of the project changes, or the EAF is revised, the Department requests to be copied on the proposed changes.

Possible DEC Permits:

- Section 401 Water Quality Certification – If this project will impact federally-regulated wetlands or waterbodies, which require a Section 404 Permit (Individual or Nationwide Permit) from the U.S. Army Corps of Engineers, a Section 401 Water Quality Certification may be required from the Department.

- SPDES General Permit for Stormwater Discharges from Construction Activity – If this project will disturb one acre of land or more, the applicant must comply with the State Pollutant Discharge Elimination System (SPDES) Phase II regulations for Stormwater Discharges Associated with Construction Activities.
COMMITTEE ASSIGNMENT: 
DATE: October 21, 2019

TO: City Council
FROM: Christopher R. Wallin, P.E., City Engineer
SUBJECT: Authorize the City of Schenectady as Lead Agency for the Improvements to Vale Park to declare that the project will not have a significant impact on the environment.

TO BE PLACED ON COUNCIL AGENDA OF: October 28, 2019

Background Information:

The City of Schenectady plans to use grant funding from the Dormitory Authority of the State of New York for the construction of landscape improvements within historic Vale Park. Improvements include removal of weedy vegetative overgrowth and invasive trees; lawn, tree and screening plantings, resurfacing of existing stone trail, 3 new light poles along the park entrance road, a new guard rail on the land bridge between two ponds, replacement of existing chain link fence with decorative fence and park signage, and park entrance improvements at the trail connection to the adjacent Eastern Avenue neighborhood.

Evaluation/Analysis:

Based on the environmental analysis provided in Parts 1 and 2 of the EAF, and the letter from the New York State Historic Preservation Office (see attached letter dated October 10, 2019) that determines the project will have "No Adverse Impact to historic and cultural resources", the proposed Landscaping Improvements at Vale Park are not anticipated to result in any significant adverse environmental impacts and only positive impacts are expected to result from the project.

Recommendation:

Authorize the City as of Schenectady as Lead Agency for the Improvements to Vale Park to declare the project will not have a significant adverse impact on the environment.

LEGISLATION WILL BE PREPARED BY: Engineering

Re: DASNY
Vale Park Improvements Project
19PR03957

Dear Ms. Lawson:

Thank you for continuing to consult with the New York State Historic Preservation Office (SHPO). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

We have reviewed your recent submission for this project. This submission includes additional project details as previously requested by our office.

Based on this review, it is the opinion of the SHPO that the proposed project will have No Adverse Impact to historic and cultural resources.

If you have any questions, I can be reached at (518) 268-2164.

Sincerely,

Weston Davey
Historic Site Restoration Coordinator

State Environmental Quality Review
NEGATIVE DECLARATION
Notice of Determination of Non-Significance

Project Number  N/A                                      Date: October 10, 2019

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The City of Schenectady Common Council as lead agency, has determined that the proposed action described below will not have a significant adverse environmental impact and a Draft Impact Statement will not be prepared.

Name of Action:
Vale Park Landscaping Improvements

SEQR Status:  Type 1  □
               Unlisted  ✓

Conditioned Negative Declaration:  □ Yes
                                       ✓ No

Description of Action:
The City of Schenectady plans to use grant funding from the Dormitory Authority of the State of New York for the construction of landscape improvements within historic Vale Park. Improvements include removal of weedy vegetative overgrowth and invasive trees; lawn, tree and screening plantings, resurfacing of existing stone trail, 3 new light poles along the park entrance road, a new guard rail on the land bridge between two ponds, replacement of existing chain link fence with decorative fence and park signage, and park entrance improvements at the trail connection to the adjacent Eastern Avenue neighborhood.

Location:  Schenectady, East of Nott Street, north of Lottridge Street, south of Vale Place.
Reasons Supporting This Determination:
(See 617.7(a)-(c) for requirements of this determination; see 617.7(d) for Conditioned Negative Declaration)

Based on the environmental analysis provided in Parts 1 and 2 of the EAF, and the letter from the New York State Historic Preservation Office (see attached letter dated October 10, 2019) that determines the project will have "No Adverse Impact to historic and cultural resources", the proposed Landscaping Improvements at Vale Park are not anticipated to result in any significant adverse environmental impacts and only positive impacts are expected to result from the project.

If Conditioned Negative Declaration, provide on attachment the specific mitigation measures imposed, and identify comment period (not less than 30 days from date of publication in the ENB)

Other involved agencies (If any)

Applicant (If any)

Environmental Notice Bulletin, 625 Broadway, Albany NY, 12233-1750 (Type One Actions only)
Part 2 is to be completed by the lead agency. Part 2 is designed to help the lead agency inventory all potential resources that could be affected by a proposed project or action. We recognize that the lead agency's reviewer(s) will not necessarily be environmental professionals. So, the questions are designed to walk a reviewer through the assessment process by providing a series of questions that can be answered using the information found in Part 1. To further assist the lead agency in completing Part 2, the form identifies the most relevant questions in Part 1 that will provide the information needed to answer the Part 2 question. When Part 2 is completed, the lead agency will have identified the relevant environmental areas that may be impacted by the proposed activity.

If the lead agency is a state agency and the action is in any Coastal Area, complete the Coastal Assessment Form before proceeding with this assessment.

Tips for completing Part 2:
- Review all of the information provided in Part 1.
- Review any application, maps, supporting materials and the Full EAF Workbook.
- Answer each of the 18 questions in Part 2.
- If you answer “Yes” to a numbered question, please complete all the questions that follow in that section.
- If you answer “No” to a numbered question, move on to the next numbered question.
- Check appropriate column to indicate the anticipated size of the impact.
- Proposed projects that would exceed a numeric threshold contained in a question should result in the reviewing agency checking the box “Moderate to large impact may occur.”
- The reviewer is not expected to be an expert in environmental analysis.
- If you are not sure or undecided about the size of an impact, it may help to review the sub-questions for the general question and consult the workbook.
- When answering a question consider all components of the proposed activity, that is, the "whole action".
- Consider the possibility for long-term and cumulative impacts as well as direct impacts.
- Answer the question in a reasonable manner considering the scale and context of the project

1. Impact on Land
   Proposed action may involve construction on, or physical alteration of, the land surface of the proposed site. (See Part 1, D.1)
   If “Yes”, answer questions a - j. If “No”, move on to Section 2.

<tr>
<td>h. Other impacts:</td>
<td>☐</td>
<td>☐</td>
</tr>
</tbody>
</table>

5. \textbf{Impact on Flooding}

The proposed action may result in development on lands subject to flooding.

(See Part 1. E.2)

If "Yes", answer questions a - g. If "No", move on to Section 6.

<table>
<thead>
<tr>
<th>Relevant Part I Question(s)</th>
<th>No, or small impact may occur</th>
<th>Moderate to large impact may occur</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. The proposed action may result in development in a designated floodway.</td>
<td>E2i</td>
<td>☐</td>
</tr>
<tr>
<td>b. The proposed action may result in development within a 100 year floodplain.</td>
<td>E2j</td>
<td>☐</td>
</tr>
<tr>
<td>c. The proposed action may result in development within a 500 year floodplain.</td>
<td>E2k</td>
<td>☐</td>
</tr>
<tr>
<td>d. The proposed action may result in, or require, modification of existing drainage patterns.</td>
<td>D2b, D2e</td>
<td>☐</td>
</tr>
<tr>
<td>e. The proposed action may change flood water flows that contribute to flooding.</td>
<td>D2b, E2i, E2j, E2k</td>
<td>☐</td>
</tr>
<tr>
<td>f. If there is a dam located on the site of the proposed action, is the dam in need of repair, or upgrade?</td>
<td>E1e</td>
<td>☐</td>
</tr>
</tbody>
</table>
6. Impacts on Air

The proposed action may include a state regulated air emission source. (See Part 1. D.2.f, D.2.h, D.2.g)

If “Yes”, answer questions a-f. If “No”, move on to Section 7.

<table>
<thead>
<tr>
<th>Relevant Part I Question(s)</th>
<th>No, or small impact may occur</th>
<th>Moderate to large impact may occur</th>
</tr>
</thead>
</table>
| a. If the proposed action requires federal or state air emission permits, the action may also emit one or more greenhouse gases at or above the following levels:  
   i. More than 1000 tons/year of carbon dioxide (CO₂)  
   ii. More than 3.5 tons/year of nitrous oxide (N₂O)  
   iii. More than 1000 tons/year of carbon equivalent of perfluorocarbons (PFCs)  
   iv. More than .045 tons/year of sulfur hexafluoride (SF₆)  
   v. More than 1000 tons/year of carbon dioxide equivalent of hydrochlorofluorocarbons (HFCs) emissions  
   vi. 43 tons/year or more of methane | D2g | ☐ | ☐ |
| b. The proposed action may generate 10 tons/year or more of any one designated hazardous air pollutant, or 25 tons/year or more of any combination of such hazardous air pollutants. | D2g | ☐ | ☐ |
| c. The proposed action may require a state air registration, or may produce an emissions rate of total contaminants that may exceed 5 lbs. per hour, or may include a heat source capable of producing more than 10 million BTU’s per hour. | D2f, D2g | ☐ | ☐ |
| d. The proposed action may reach 50% of any of the thresholds in “a” through “c”, above. | D2g | ☐ | ☐ |
| e. The proposed action may result in the combustion or thermal treatment of more than 1 ton of refuse per hour. | D2s | ☐ | ☐ |
| f. Other impacts: ________________________________ | ☐ | ☐ |

7. Impact on Plants and Animals

The proposed action may result in a loss of flora or fauna. (See Part I. E.2. m.-q.)

If “Yes”, answer questions a-f. If “No”, move on to Section 8.

<tr>
<td>c. The proposed action may occur wholly or partially within, or substantially contiguous to, an archaeological site not included on the NY SHPO inventory. Source:</td>
<td>E3g</td>
<td>☐</td>
<td>☐</td>
</tr>
</tbody>
</table>
d. Other impacts: 

If any of the above (a-d) are answered “Moderate to large impact may occur”, continue with the following questions to help support conclusions in Part 3:

i. The proposed action may result in the destruction or alteration of all or part of the site or property.

E3e, E3g, E3f

ii. The proposed action may result in the alteration of the property’s setting or integrity.

E3c, E3f, E3g, E1a, E1b

iii. The proposed action may result in the introduction of visual elements which are out of character with the site or property, or may alter its setting.

E3e, E3f, E3g, E3h, C2, C3

11. Impact on Open Space and Recreation

The proposed action may result in a loss of recreational opportunities or a reduction of an open space resource as designated in any adopted municipal open space plan.

(See Part 1. C.2.c, E.1.c, E.2.q.)

If “Yes”, answer questions a - e. If “No”, go to Section 12.

<table>
<thead>
<tr>
<th>Question(s)</th>
