PRESS RELEASE

Schenectady Municipal Golf Course Announces Completion of New Renovations

Renovations completed prior to upcoming Impossible Pin Tournament

SCHENECTADY ~ Mayor Gary R. McCarthy and Head PGA Professional Matthew J. Daley announced today the completion of renovation projects at the Schenectady Municipal Golf Course. The projects were recently completed ahead of the Impossible Pin - Cross Country Tournament, which will be hosted at the course on Saturday, October 28, 2017.

“The Schenectady Municipal Golf Course is one of the most beautiful in the region, and we are extremely proud to have it in our backyard,” Mayor McCarthy said. “These newly completed projects will benefit local golfers and help attract even more visitors from around the area.”

New tee complexes were a significant component of the new renovations, which include better turf and more teeing ground for golfers. Additionally, a new practice putting green located to the right of the practice range will create a more convenient and inclusive environment, Daley noted. The renovations also include new cart paths and new drainage systems.

“We are very excited about the new work that has been done to the course,” said Daley. “The golf course is getting what it deserves as well as the golfers that play there.”

Guests will be able to enjoy these new features at the Impossible Pin - Cross Country Tournament this Saturday. The tournament kicks off at 11:00 a.m. and includes a cart, breakfast, dinner buffet, as well as various prizes. Teams of four are invited to join. Those interested should call (518) 382-5155 to sign up.

“This is our end of the year tournament which was very well received last year, so we are excited to see so many entries again for this year,” Daley said. “Our course layout for this event is just awesome and promises to be a real blast and a great time.”
